WELCOME TO

Akarana Golf Club is home to a picturesque yet challenging 18-hole course just 15 minutes from Auckland International Airport and the CBD.

Our highly rated golf course welcomes several high profile events each year, including the Barfoot & Thompson Akarana Open – part of the Charles Tour. The layout features some memorable holes, such as the 8th, which is one of the best par-3s you will find anywhere in Auckland.

Akarana is a club with a relaxed, friendly atmosphere and a passion for good golf. We have good practice facilities and our Pro Shop will take care of your day-to-day golfing needs. Our NZPGA Teaching Professional is available for lessons and clinics on an individual or group basis.

The club has an active, year-round golfing calendar offering interclub Pennant play as well as numerous trophies to be won in our own competitions. A genuine family-friendly club, we have a thriving junior section.

Social golf and corporate golf days are very popular. We are ideally equipped to host any type of golf day, with our professional golf and club staff and superb caterers handling all your details to ensure your day is memorable.

Local business clientele are invited to become corporate members or to make use of our meeting rooms. The well-appointed clubhouse also makes an excellent venue for weddings and special occasions of any kind.

Akarana has much to recommend it. We invite you to visit us and sample our hospitality and excellent facilities both on and off the course.

A BRIEF HISTORY

Akarana's beginnings were in the late 1920s when a group of enthusiasts founded the club on the Winstone farm in Mount Roskill. The course has remained on the same site ever since the club's formal incorporation in 1927.

The great feature of Akarana has always been its compactness. The course has never been one of great length nor does the club own much land in Auckland's bustling inner west. In 2003 well known golf course architect Chris Pitman was called upon to design three new holes as part of the development project to extend State Highway 20.

The new layout and the condition of the course has drawn many compliments from visitors including Bob Glading, the former New Zealand Open and PGA champion. Gareth Paddison, winner of the 2015 Barfoot & Thompson Akarana Open, also rated Akarana as one of New Zealand's best courses. Praise indeed.

Proud of its past, but also keen to look to the future, Akarana was delighted to be chosen in 2014 as a new venue on the Charles Tour. This exciting development brings together New Zealand's top professional and amateur golfers for a nationally recognised four-day tournament held in April.

Approaching its second century, the Akarana way will remain the same as it has always been - to seek continual improvement and offer the best in Auckland golf to its members.

THE COURSE

Akarana is one of the closest quality golf courses to the Auckland CBD and is open seven days a week to members and visitors.

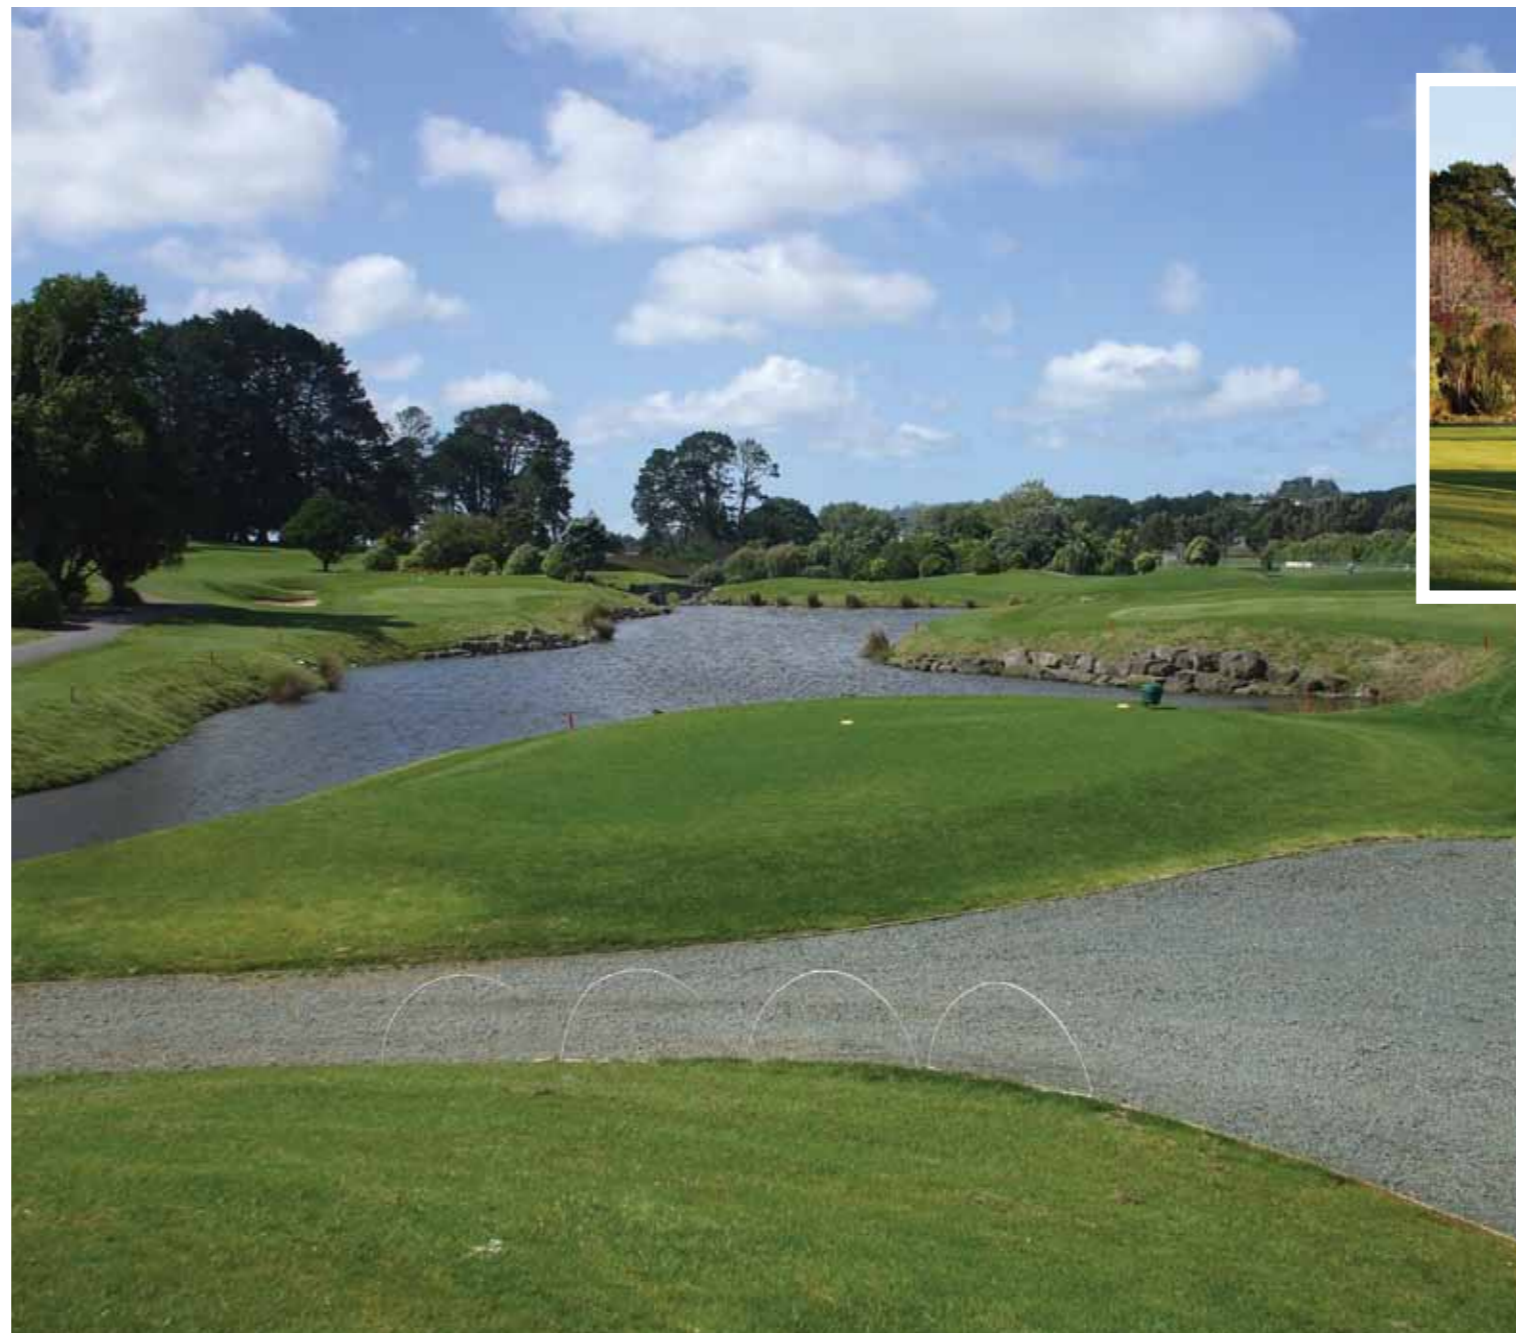

Three “Ps” best sum up the Akarana experience:

Presentation: almost without exception the course is immaculately turned out and frequently draws praise from golfers of all standards who have never played here before. Improvements to drainage, major bunker renovations make the course playable all year round.

Proximity: Akarana is centrally located and very close to the middle of the city. It could not be better placed for the corporate member or visitors looking for a quality round of golf midweek on an afternoon off or wanting to get in a few holes after work in the summer.

People: many clubs like to call themselves “the friendly club”. At Akarana you will find this to be true and invite you to experience the amicable atmosphere both on the course and off it.

The course now has two distinct nines. The shorter inner loop with a par of 34 has one of the great holes in Auckland golf, the par-3 8th which measures 176 metres from the blue tee to a narrow green with bunkers on the left and water on the right.

The longer outer nine, which has out of bounds on the left of six holes, has the two longer par fives, two demanding par 4s in the 13th and 15th, the testing par-3 16th and an exciting short par 4 to finish which produces many birdies.

The full layout measures around 5,800 metres from the back tees but the course rating is over par at 70.6 and the slope is 124, so it is anything but a pushover.

Since the new layout was brought into play in December 2003, the best score on the championship course, without placing, is 61 set by Josh Geary competing in the 2015 Charles Tour Barfoot & Thompson Akarana Open.

Trees make for a picturesque setting, but they will not find favour with the golfer who is wayward off the tee. The layout teaches important lessons in course management and those who reach automatically for their driver on every tee will be well advised to take a moment to consider their options.

Accuracy is very important as is distance control with your irons. The greens are quite small but the surfaces are superb. Akarana is renowned for the presentation of the course.

PRO SHOP AND GOLF LESSONS

Take the opportunity to browse the latest equipment, clothing and golfing merchandise in the Pro Shop. There is also a selection of items perfect for gifts or prizes and all the everyday golfing gear you need such as balls, gloves and tees.

The Pro Shop aims to be competitive on price and offers something the internet cannot compete with - a friendly face and warm welcome, together with good, sound advice on how to get the most from your golf game.

An on-site repair facility is available seven days a week offering a fast and efficient regripping or refurbishing service which can breathe new life into your woods and irons. Akarana's Pro Shop has buggies and clubs available for hire.

If you have the commitment and desire to lower your handicap then Akarana's NZPGA-qualified teaching professionals will be delighted to help you achieve your goals.

All golfers will know that the better you play, the more you will enjoy your game. Our professionals welcome players of all skill levels.

Lessons are built around the basic fundamentals, keeping it simple, producing a swing that you can consistently repeat, and working with the physical capabilities of the individual golfer.

For tee-time and lesson bookings and advice on all things golf call (09) 621 0024.

JOIN AKARANA GOLF CLUB

The club welcomes applications for the many different categories we currently offer. Our popularity is due to the central location of the course, club facilities, the course itself and most importantly, the friendly and social atmosphere.

We want you to become part of the Akarana family and for that reason have structured a wide selection of popular membership options, some of which you are not likely to find at many other clubs.

Take, for instance, our Easy Golf Membership, perfect for the keen social golfer who perhaps cannot get to the course as often as he or she likes and is not interested in taking part in Pennant golf.

Enjoy many of the benefits of being a club member - such as getting an official golf handicap, being able to play whenever you like, even at weekends and the ability to book seven days in advance - along with use of the clubhouse and discounts at the bar. But pay a greatly reduced membership fee along with a flat fee every time you play a round.

The area of Auckland in which Akarana is situated has a vibrant Chinese presence. Language should be no barrier to golf. An introduction to the game and coaching, for new migrants who are more comfortable speaking Mandarin or Cantonese is provided by Simon Cheung (021 0202 1021). He is a neighbour of the club and readily available. Many Korean residents and visitors enjoy golf at Akarana - we have Korean speaking Pro Shop staff to assist.

Here are our membership categories outlined:

Full Playing Members - play seven days a week including public holidays and book up to seven days in advance.

Six Day - play Sunday to Friday excluding public holidays, not eligible for club championships or representative teams.

Weekday - play Monday to Friday excluding public holidays.

Easy Golf - Pay Per Play - reduced initial membership fee, pay a green fee when you play.

Age Related Memberships - discounted rates for players in the following age ranges: 31-35, 26-30 and 20-25. Play seven days a week, but Saturdays can only be booked one day prior.

Veteran Members - to become a veteran member at Akarana you must have been a full playing member here for 25 years and be aged over 65.

Social 18 Hole Playing Members - unlimited social play after 3pm Sunday to Friday. Social Playing Members can play before 3pm on payment of an additional green fee.

9 Hole Members - nine-hole play that is limited to the times which can be found on our website. Only one nine hole game is permitted per day.

Junior Members (under 20) - Coaching from 11am Sundays then play from noon. Play on other days after 3.30pm or at the discretion of the Golf Services Manager.

Social Members - Social members have full use of the clubhouse area only. No play on the course is allowed unless a daily green fee is paid.

MEMBERS' GOLF

Akarana is an excellent choice of club to belong to for players searching for competitive golf in all its forms, with Pennant fixtures, many trophies to battle for each year in the club's own prestigious competitions and much social and more relaxed golf on offer. Men, women, seniors and juniors can all enjoy a full programme of competitive golf.

Our men and women enter teams in the Auckland Pennant competitions with a proud history of winning or excelling in most divisions.

It is always a pleasure to welcome golfers from other clubs to Akarana. We host open competitions each year, giving the opportunity to showcase the club, our course and clubhouse facilities.

One of the most prestigious of these events is the Auckland Anniversary Tournament in January, a well-organised three-day competition with a magnificent prize table helping to make it Auckland's favourite New Year golf competition.

The Pimms Cup, a fourball bestball one-day event for women testing skill and endurance over 36 holes, has been played at Akarana since 1952. With morning tea on arrival, lunch and dinner included, plus some fantastic prizes it really is a day not to be missed.

The club likes to put back into the community as well, with Akarana's members raising money for charity with special events each year. One such example is Sue Radics Memorial Cup Day in August, a trophy named in memory of a popular former nine-hole member and proceeds from the day being donated to the year's chosen charity.

RECIPROCAL GOLF

Akarana has reciprocal relationships with a number of other golf clubs in Auckland, across New Zealand and overseas as a way of adding extra value to our memberships.

JUNIORS

One of Akarana's longstanding aims is to develop golfers from a young age and teach them the life skills as well as the golf knowledge that they need. A lot of good things have happened for the juniors at the club in recent years.

Our SNAG (Starting New at Golf) program has been launched at some of the schools in close vicinity to the golf club. This is a fun and easy way for young kids and adults to see if they might like golf. SNAG provide their own qualified coaches, but we hire out the equipment and provide a mini SNAG course at Akarana.

On Sunday all of the Akarana juniors play at 12pm. Before that they have coaching with an NZPGA professional from 11am until tee off. This has proven to be very popular and the club has more recently introduced introductory coaching for absolute beginners between 9am and 10am.

All of this good work has also brought its rewards, with an ever-improving Junior Pennant side together with several of Akarana's youngsters being selected in Auckland development squads.

The club really has a good young group of juniors coming through and there are plenty of positive signs for the future.

Everyone is different, that's why we are.

VISITORS

Akarana welcomes golfers of all ages and abilities to come and enjoy all that our club has to offer.

Tee-times are generally available Monday to Friday, though it is always advisable to phone ahead to book a tee-time or to check with the club our competition schedule for the day. Our main competition days are on the weekend, so therefore we get quite busy and visitor tee-times are only available from 3pm on Saturday and 1pm on Sunday.

Carts and trundlers are available to hire for those wishing to save their energy for their golf, though you will find the course relatively flat and not too taxing for those who prefer to carry their bag.

The club has a dress code on and off the course which we would ask you to respect. In two words: smart casual will get the job done.

Phone (09) 621 0024 (ext. 1) to inquire about tee-time availability and to book your slot. Alternatively you can book online through the www.golf.co.nz website where you will find the latest offers on last-minute bookings.

CLUBHOUSE AND CATERING

Hospitality in the Akarana Bar is legendary - two decks, WiFi, pool table, meals and snacks, with a selection of wine by the glass, seven beers on tap, and a warm welcome to members and visitors.

Pop down for a quick nine holes after work in summer, check out all those emails at your leisure with a refreshing drink by your side or catch the latest live sport from around the world on our big screen televisions.

If you fancy a tasty bite to eat, you will find an excellent cafe upstairs run by Jodi and Rob from our highly-regarded caterers, Fernz Catering.

For enquiries about group bookings, functions or special occasions, contact Rob on 027 492 4579 or Jodi on 027 291 7981.

If you are desperate to buy everyone a drink as soon as you leave the course after that hole in one, then head straight for the downstairs Sapporo Sprig Bar next to the Pro Shop and putting green.

CORPORATE GOLF DAYS

Akarana is a regular and popular host of corporate golf days. Our corporate clients are very important to us and we welcome many of them back year after year.

We understand just what it takes to put on a successful golf day and as well as providing all the basics you might expect, can suggest those little extras that can make any day truly memorable.

Value, flexibility, attention to detail and superior service are all words associated with a day spent at Auckland's most hospitable club.

Corporate players are afforded all the privileges of club members on their day, including bar, dining room and locker facilities, while the relaxed pace and friendly atmosphere allow visitors to enjoy their experience to the full.

Stock up with any competition prizes you require in the Pro Shop and have a hit before your round on our Tiger range to ensure you avoid those potential first tee mishaps in front of the rest of your group!

Our friendly Professional team can provide you with nearest the pin and longest drive markers (or longest putt) should they be required and are available for golfing tuition or to put on group golfing clinics before play if desired.

The purpose of any corporate golf day is all about exposure for your business and we will do everything we can to assist, including displaying your corporate signage on the course (subject to pre-approval). Marquees can also be erected on course, or we can arrange this for you, as we can on-course refreshments.

Enjoy breakfast with registration and return after your round to enjoy anything from a light lunch to a filling three-course meal.

Finger food, buffets, canapés, morning or afternoon tea? No problem. The menu choices have been structured so that you can create your own menu to suit your requirements. Special arrangements can be made for vegetarians and children.

Set menus can be tailored to your personal requirements. They are available in one, two or three-course options. We suggest you book a time to sit down and discuss your menu with our caterers or functions team and don't forget to ask about the award-winning local wine.

You have a choice of morning or afternoon tee off times. Depending on the number of guests you have, you may require one or two tee starts. Shotgun starts can also be accommodated,

very handy for post-round presentations as everyone should finish around the same time.

The club has a number of motorized carts and golf trundlers and sets of golf clubs are also available to hire for those who don't have their own.

Remember, too, while enjoying our facilities, that they can be hired for corporate meetings, functions, conferences or seminars and it is possible to book a package that includes golf, so you really can mix business with pleasure!
